CHAIRMAN'S REPORT

FOR THE YEAR ENDED 31 MARCH 2023

We have great pleasure in presenting our Annual Report and Financial Statements for the year ending 31st March 2023. In the twenty years since the Herefordshire Community Foundation (HCF) was founded in 2002, we have awarded £6.5 million in grants to grassroots projects and individuals in need, supporting communities to thrive and improving the wellbeing of people living in Herefordshire.

I am delighted to report that 2022-23 was another successful year for HCF. We distributed £812,733 in grants to individuals and community groups (compared with £900,482 in 2021-22). Grants ranged in size from an award of £40 for tree planting at Suvla Barracks, from the Queen's Green Canopy Fund, to an award of £20,500 to Rural Media from the Teme Valley Youth Project Fund for their 'Rural Voice, Collective Power' project. It was our busiest year ever in terms of number of grants awarded ~ 607 grants, which was a 79% increase on the previous year (350 grants in 2021-22, and 295 grants in 2020-21).

This level of support to local communities cemented HCF's status as the county's leading independent grant-maker. I thank the trustees and the organisations we support for their commitment to making Herefordshire a place where everyone has the opportunity to thrive.

We were pleased to work with Herefordshire Council to award £197,275 of Covid recovery funding to charities and groups working across the county to help communities recover from Covid-19. The funding supported 28 organisations to provide vital services to those in need.

The year was marked by the impact of the Cost-of-Living Crisis, and we saw an unprecedented demand from households struggling to meet the cost of fuel and other living essentials. In response, we launched the Fuel Poverty Appeal in November, followed by a 'Donate the Rebate' campaign in January. Furthermore, we worked with Herefordshire Council to distribute £175,060 of the Household Support Fund. These funds were used to award fuel grants to vulnerable households - support was targeted at pensioners, people living with a disability and struggling families with young children. We awarded 382 fuel grants (compared with 91 fuel grants in 2021-22 and 31 fuel grants in 2020-21). Additionally, we launched the Emergency Food Provision Fund in partnership with Herefordshire Council to award £34,725 to local organisations delivering food projects. We also worked with the UK Community Foundations (UKCF) to distribute national funding from the Communities in Crisis Fund and awarded £,8,900 to local food projects.

We were grateful to receive a generous donation of £800,000 to the Iron Fund (which attracted a further £125,000 in Gift Aid). For the last seven years, the Iron Fund has been a significant grant programme and its broad aims have enabled us to work flexibly and quickly to deliver support where it was most needed across Herefordshire.

HCF worked with UKCF to deliver the '# iwill' programme in Herefordshire on behalf of the National Lottery and the Department for Digital, Culture, Media and Sport (DCMS). We used the Iron Fund to match fund the programme and awarded £67,459 to local organisations delivering youth social action projects.

We were delighted to work with our Patron, the Lord Lieutenant, Edward Harley CBE, and the Lieutenancy Office to manage the Queen's Green Canopy Fund which awarded £2,077 to support local tree planting in celebration of the Queen's Platinum Jubilee.

In terms of strengthening the organisation we increased staff capacity and welcomed new trustees to the Board. We were very pleased to work with Orphans Press to develop and launch our new website and to publicise our work more widely.

HCF secures its funding by setting up personally named (or anonymous if preferred) local giving funds on behalf of companies, individuals, and families. In this way donors are able to support the causes of their choice at far less cost and administration than creating their own standalone charity. Setting up a charitable fund with HCF will allow donations to be put into an individual fund and HCF will do all the work of vetting, distributing the money, securing the valuable Gift Aid and ensuring the degree of governance required by the Charity Commission.

We are also able to offer our help in setting up an appropriate governance structure to enable organisations with charitable motives to make early progression and securely manage and distribute funds with full accountability. In previous years, this proved to be invaluable for the hugely successful Laptops2Kids project during the Covid 19 periods of lockdown, as well as Knife Angel Hereford and NMITE.

In order to continue to expand the work we do we are always seeking new donors. For grassroots organisations a small grant can make a huge difference and donors can be assured we aim to maximise the impact of every pound donated.

CHAIRMAN'S REPORT (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2023

We can also set up memorial funds which can be a way of providing comfort at times of grief, enabling the memory of the deceased to live on and to provide ongoing purpose to a precious life lost. There can be no better example than George's Fund which has gone from strength to strength.

We are particularly keen to identify ways for smaller businesses, who might consider themselves too small to make a difference, to create a collective fund devoted to improving life changes for the disadvantaged in our community. Please do contact us if you would like further information.

Although the money distributed in the year has been a little less, the amount of activity has increased markedly. The complexity of the new funds, launched often with some urgency, has been embraced with enthusiasm and good humour by the team who have maintained our high standards throughout.

They have truly excelled in challenging circumstances, and I am delighted to record my thanks to them for a highly successful year.

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 MARCH 2023

The trustees present their annual report and financial statements for the year ended 31 March 2023.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Charity's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019).

Objectives and activities

The objects for which the Foundation is established are:

- To promote any charitable purposes for the benefit of the community in the County of Herefordshire and in particular the advancement of education, the protection of good health both mental and physical and the relief of poverty and sickness;
- To promote other exclusively charitable purposes in the United Kingdom and elsewhere which are in the
 opinion of the Trustees beneficial to the public including the community in the County of Herefordshire;
- To match the wishes of donors, corporate or individual, to community needs, to encourage local
 philanthropy for the public benefit, and to enable donors to use the resources of the Foundation to
 achieve more effective giving;
- To seek donations to endowment funds, individually tailored to the donor's wishes or, for smaller amounts in a pooled endowment fund;
- To seek donations to flow-through funds for those who wish to see a more immediate impact from their generosity;
- To enable its donors to take full advantage of all external aid to the sector including donation matching and gift aid;
- To establish links with the voluntary, business and statutory sectors in order to ensure the best possible use of resources within these sectors.

Public Benefit

The Trustees seek to ensure that the activities of each of the Funds under the umbrella of the Foundation meet 'Public Benefit' tests in accordance with the following Charity Commission guidance:

- · Know what the Fund was set up to achieve this is known as the Fund's 'purpose'
- . Identify how the Fund's purpose is beneficial this is the 'benefit aspect' of public benefit
- Know how the Fund's purpose benefits the public or a sufficient section of the public this is the 'public aspect' of public benefit.
- Identify how the Fund's purpose will be delivered this is known as 'furthering' the charity's purpose for the public benefit.

The Trustees, having reviewed the objectives and activities of the Foundation and its constituent Funds and, having given due consideration to Charity Commission guidance above, are satisfied that the Foundation business is properly conducted for the 'public benefit'.

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2023

The Funds

The Foundation manages a number of sub-funds that fall into two broad categories — Endowment and Flow-through. Although all the funds belong to the Foundation, they are ring-fenced and operate separately in accordance with the wishes of the donor.

Endowment Funds are long-term capital funds with the aim of increasing their value by judicious investment applying their income to the charitable purpose of the sub-fund.

Flow-through Funds tend to have a limited life with the goal of distributing the whole sum donated in accordance with the goals of the donor.

Our approach to fundraising

In order to carry out its activities, the trustees have considered The Charities (Protection and Social Investment) Act 2016. The charity complies with the Code of Fundraising Practice. It has received no complaints on fundraising activity and does not undertake fundraising in a way that might intrude on any person's privacy or take advantage of vulnerable people. The majority of the charity's fundraising activity is derived from grant funding and contract opportunities via grant making trust, public agencies and prime contractors. It does not carry out either directly or through other professional agencies, direct marketing or face-to-face approaches to individuals vulnerable or otherwise.

Achievements and performance

This was another exceptional year for Herefordshire Community Foundation. HCF has now distributed over £6.5 million in terms of grants awarded since it was established in 2002. In the period 2022-2023 HCF gave out 607 grants, an increase of 79% on the previous year's total of 350.

Financial markets continued to remain turbulent but we have benefited from sound investment which has resulted in the growth of our funds again this year.

The Foundation remains as a significant benefactor for the County of Herefordshire.

Financial review

Principal funding sources

Income for endowment fund building comes from donations. Income from donations combined with dividend and interest income is used for grant making. The administration (unrestricted fund) income comes from a contribution from each fund and from unrestricted donations.

Investment policy and objectives

All endowment capital is invested in the COIF Charities Investment Fund, run by CCLA Investment Management. To quote from their web site:

"CCLA is one of the UK's largest charity fund managers according to the latest Charity Finance Survey. Managing investments for charities, religious organisations and the public sector is all we do. Based in the City of London, with an office in Edinburgh, we are largely owned by our clients funds."

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2023

Reserves policy

The total reserves of the charity increased by £585,858 to £6,920,520 from £6,334,662. Restricted funds increased from £337,874 to £423,816 and Endowment funds from £5,829,611 to £6,309,073 in the year. The Trustees continue to seek further funding for marketing and endowment fund development activities.

The Foundation aims to retain sufficient free reserves to provide adequate working capital to fund its administration and fund development activities for at least six months, taking into account committed income. The Trustees are satisfied that the net assets of the Foundation are adequate to fulfil the obligations of the Foundation. Free reserves currently amount to £179,343 (2022 - £165,054), the Trustees are satisfied that free reserves are more than sufficient for a minimum of six months development activities.

Going concern

At the time of approving the accounts, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus, the trustees continue to adopt the going concern basis of accounting in preparing the accounts.

Quality Accreditation

The Foundation holds the latest Quality Accreditation awarded by the UKCF. These exacting standards are endorsed by the Charity Commission and cover the key areas of Definition and Governance, Finance and Risk, Donor Services and Development, Grant Making and Community Engagement and Communications. Community Foundations must hold this quality accreditation to manage publicly funded grant programmes. The foundation continues to hold the latest Quality Accreditation (QA5).

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

The Fund Director has carefully controlled administration costs that are funded by direct donations and internal transfers from the individual funds managed. Trustees regularly review the risk assessment profile, in line with Charity Commission recommended guidelines.

Plans for future periods

The Trustees plan, during the next twelve months, to:

- Continue to make grants to support local communities for the public benefit and in accordance with the wishes of donors
- · Seek to extend its Endowment and Flow-through Funds for individuals and corporate givers
- · Raise the profile of the Foundation in the County
- Actively encourage local philanthropy for local benefits
- Develop a range of donor 'vehicles' designed to meet the ever-widening range of charitable aims of prospective donors
- · Enable existing donors to achieve more effective giving
- · To identify ways and work with smaller businesses who wish to create a collective fund

Recruitment and appointment of Trustees

The Board aims to achieve representation across the different areas of the County; to maintain a wide range of interests within the voluntary and community sectors and to ensure that key skills, such as fund development, financial and legal knowledge, are provided within the Trustee group.

Organisational structure

The Trustee Board is the strategic decision-making body of the Foundation. It employs a part-time Director, who carries out the day-to-day management of the Foundation. Grant panels are established as appropriate for the assessment of grants and their recommendations are submitted to the Board for final approval. At the current stage of development, active participation by Board members is required to advance fund development, the website and the profile of the Foundation within Herefordshire. The remuneration of key management of the charity is set by the board.

Induction and training of new trustees

All Trustees are provided with an induction to the work for the Foundation and opportunities to attend training and development events are provided.

Related parties

The Foundation is affiliated to and acknowledge the support of the United Kingdom Community Foundation (UKCF).

There are occasions when the Foundation is asked to support a beneficiary of other charities and may receive funds for management from charitable projects which a certain member of the Trustees have an interest. At all times these transactions are within scope of its objects.

STATEMENT OF TRUSTEES' RESPONSIBILITIES FOR THE YEAR ENDED 31 MARCH 2023

The trustees, who are also the directors of Herefordshire Community Foundation for the purpose of company law, are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company Law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that year.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in operation.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITOR'S REPORT

TO THE TRUSTEES OF HEREFORDSHIRE COMMUNITY FOUNDATION

Opinion

We have audited the financial statements of Herefordshire Community Foundation (the 'Charity') for the year ended 31 March 2023 which comprise the statement of financial activities, the balance sheet, the statement of cash flows and the notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2023 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the Charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the trustees' report; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

INDEPENDENT AUDITOR'S REPORT (CONTINUED) TO THE TRUSTEES OF HEREFORDSHIRE COMMUNITY FOUNDATION

Responsibilities of trustees

As explained more fully in the statement of trustees' responsibilities, the trustees, who are also the directors of the Charity for the purpose of company law, are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, the trustees are responsible for assessing the Charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

Extent to which the audit was considered capable of detecting irregularities, including fraud

- an understanding of the risk assessment process (including the assessment of the risk of fraud) adopted by the Board is obtained and their attitude to risk ascertained
- an assessment of the susceptibility to material mis-statement of the financial statements as a result of management over-ride or fraud is made
- it is ensured that the engagement team have, collectively, the appropriate competence, capabilities and skills to be involved in the assignment, are fully briefed and understand the risks specific to the charity

Audit response to risks identified

As a result of the outcome of our risk review:

- we establish processes to test the outcomes of our assessment which include, a review of Board minutes, analytical review, the relevance and accuracy of significant accounting estimates, substantive testing of significant transactions, work to identify unusual or unexpected accounting entries including the testing of journal entries, information disclosed in the financial statements is traced to supporting documentation. In all instances it is acknowledged that material mis-statements that arise from fraud may involve deliberate concealment or collusion and are, therefore, by their very nature harder to detect than those arising from error.
- an understanding of the legal and regulatory framework as applicable to the charity is obtained together with knowledge of the procedures put in place by the charity in order to comply with the same
- it is established if there have been any instances of non-compliance with applicable laws and regulations, where there are such breaches, a full understanding, including gathering of relevant documentation appertaining to the event is obtained and assessed

It should be noted that Auditing standards limit the audit procedures required to identify non-compliance with laws and regulations to enquiry of the directors and other management and the inspection of regulatory and legal correspondence, if any.

A further description of our responsibilities is available on the Financial Reporting Council's website at: https://www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

INDEPENDENT AUDITOR'S REPORT (CONTINUED) TO THE TRUSTEES OF HEREFORDSHIRE COMMUNITY FOUNDATION

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023

Accounting policies 1

Charity information

Herefordshire Community Foundation is a private company limited by guarantee incorporated in England and Wales. The registered office is The Fred Bulmer Centre, Wall Street, Hereford, HR4 9HP.

1.1 Accounting convention

The financial statements have been prepared in accordance with the Charity's Memorandum and Articles of Association, the Companies Act 2006, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The Charity is a Public Benefit Entity as defined by FRS 102.

The financial statements are prepared in sterling, which is the functional currency of the Charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of certain financial instruments at fair value. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the Charity.

income

Income is recognised when the Charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the Charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the Charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Grants payable are payments made to third parties in the furtherance of charitable objects of the Trust. In the case of an unconditional grant offer this is accrued once the recipient has been notified. Notifications gives the recipient a reasonable expectation that they will receive the one-year or multi-year grant. Grant awards that are subject to the recipient fulfilling performance conditions are only accrued when the recipient has been notified of the grant and any remaining unfulfilled condition attaching to that grant is outside of the control of the Trust.

Provisions for grants are made when the intention to make a grant has been communicated to the recipient but there is uncertainty as to the timing of the grant or the amount of grant payable.

1.6 Intangible fixed assets other than goodwill

Intangible assets acquired separately from a business are recognised at cost and are subsequently measured at cost less accumulated amortisation and accumulated impairment losses.

Intangible assets acquired on business combinations are recognised separately from goodwill at the acquisition date where it is probable that the expected future economic benefits that are attributable to the asset will flow to the entity and the fair value of the asset can be measured reliably; the intangible asset arises from contractual or other legal rights; and the intangible asset is separable from the entity.

Amortisation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Software

5 years straight line

1.7 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Fixtures and fittings

4 years - straight line

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

1.8 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

Impairment of fixed assets

At each reporting end date, the Charity reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.10 Stocks

Stocks are stated at cost of the finished goods. Cost comprises direct materials and, where applicable, direct labour costs and those overheads that have been incurred in bringing the stocks to their present location and condition. Stocks are reviewed for impairment annually.

Net realisable value is the estimated selling price less all estimated costs of completion and costs to be incurred in marketing, selling and distribution.

1.11 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks and other short-term liquid investments with original maturities of three months or less.

1,12 Financial instruments

The Charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the Charity's balance sheet when the Charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the Charity's contractual obligations expire or are discharged or cancelled.

1.13 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the Charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.14 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

2 Critical accounting estimates and judgements

In the application of the Charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
